MEMORANDUM FOR THE RECORD

12/20/56

25X1A

SUBJECT: Question of the Source of Payment for Lockheed Per Diem at [REDACTED]

25X1A

25X1A. As the outgrowth of a discussion this morning between [REDACTED] and the undersigned over a letter dated 5 December 1956 from [REDACTED] Lockheed Treasurer, regarding an item of \$2,653.47 for payment to Lockheed personnel at [REDACTED] as per diem, I approached Mr. Bissell this afternoon in conjunction with Mr. Clarence Johnson.

25X1A

25X1A 2. I specifically inquired of Mr. Johnson and Mr. Bissell whether it had been agreed at the time of the discussion on the subject of the per diem at [REDACTED] to off-set local food costs that Lockheed would pay subject per diem separate and apart from Contract SC-56. Mr. Johnson said that it had been his understanding, then and continues as such, that Lockheed was to pay for this per diem, not to exceed [REDACTED] per day per man. Furthermore, Mr. Johnson indicated that he had "dug up" the necessary funds, "some \$50,000," which was to have been the Lockheed reserve for the payment of these costs. Since our tenure at [REDACTED] was so short, the balance of the \$50,000 was, of course, not required.

25X1A

3. I explained to Mr. Johnson that [REDACTED] had indicated in his letter of 5 December that he regarded the \$2,653.47 as a charge to Contract SC-56 based upon an agreement by the Project Contract Officer, (which [REDACTED] did not in fact ever agree to.) Mr. Johnson frankly stated that this was in error and indicated that he would welcome it if we were to correct [REDACTED] and refer him to Mr. Johnson for further particulars.
